Activity 5 : Write in cursive

My sister is nineteen

A blank sheet of graph paper with a grid pattern. The grid consists of 20 columns and 10 rows. A horizontal line runs through the middle of the grid, dividing it into two equal halves. A vertical line runs down the center of the grid, dividing it into two equal halves. The intersection of these two lines is at the center of the grid. There are small red dots at the intersections of the central horizontal and vertical lines, and at the intersections of the central vertical line with the top and bottom edges of the grid.
